Extended Care

Morning care consists of breakfast (included) and quiet games and playground time. After care consists of group games, pool time and playground activities.

Day Camp is a traditional camp program where the camper chooses their activities. We offer a great mix of quiet activities and more lively ones. Each day there are structured activities and spontaneously planned ones as well. Your camper will be kept quite busy.

Teen Adventure Camp is for our campers in their early teens. Teens will be up and moving either on our zip line or climbing tower. Or they can try their hand at orienteering. Each day we will be outdoors, active and doing something that challenges us mentally or physically - maybe even both! Do you have what it takes?
