"I understand that part of the camping experience involves activities and group living arrangements and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, and so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with or will be learning these rules and will obey them."

"It is agreed that any dispute or cause of action arising between the parties, whether out of this agreement or otherwise, can only be brought in a court of competent jurisdiction located in Warren County, New Jersey, and shall be constructed in accordance with the laws of New Jersey."
