Executive Director, Camps

Dear Prospective Staff Member,

We would like an opportunity to introduce our camp to you. Located in Hardwick, New Jersey on 145 acres of woodland, the camp is free to all, supported by donations and volunteers. Boys and girls with cancer, ages 6-15, attend the overnight camp, staying from one to four weeks depending upon their medical condition and the level of care required. We are accredited by the American Camp Association, and we are one of the longest operating, full summer oncology camps in the country.

Camp activities include boating, swimming in our heated pool, camping, arts and crafts, drama, dance, nature, hiking, rocketry, archery, and all sports. We also have numerous high ropes elements as well as an indoor gymnasium, and adventure course. Up to 95 campers can be accommodated for each of the four sessions.

We provide a "normal" summer camp experience and we are looking for dedicated staff members to help us show our campers that they are special, not because they have a challenge, but because of who they are. We provide our services to these campers free of charge. We rely on contributions and donations to support the camp.

Staff training will begin on: June 18, 2012

Campers arrive on: July 2, 2012

Last Day of Camp: July 27, 2012

Salaries for the season start at \$2000. And are based on age, skill, experience, and requirements of position. Minimum age for counselors is 19. Room and board are included. Days off run from Friday's around 2pm, until Sunday's at 6pm. All camper sessions end on Friday's around 11am. Cabins consist of 5-10 campers along with a counselor and a volunteer counselor.

Please return your completed application as soon as possible. As soon as we receive it, we will contact you to discuss the position in greater detail. **We will need 3 reference's completed, so please print out 3 copies and have them filled out by your references.** Should you have any questions, feel free to contact me at camp. Thank you for your interest in working at our camp.

Sincerely,

Rich Campbell
Executive Director
