

## HOW YOU CAN HELP

Thanks to the generosity of our donors, these special children and their siblings come free of charge to this unique camp. Your gift helps to underwrite the medical expenses associated with providing services such as...

Exceptional care provided by a staff of dedicated medical professionals

Around the clock supervision in fully accessible facilities

Exciting activities including swimming, adventure courses, cabin wars, hikes, archery, dances, talent shows and much more

For more information about camp, sibling programs, family camp programs, staff, volunteering, events and donations, please contact us.

 Happiness Is Camping, A camp for kids with cancer since 1982

# Happiness Is Camping Summer camp

## 2023

**Where  
Having  
Fun Is Just  
What The  
Doctor  
Ordered!**

Our facility houses a fully equipped health center. **Our 24 hour medical staff** always includes a pediatric oncologist/hematologist and hematology/oncology nurses.

We are equipped to handle on-going care, enabling the camp to welcome children who require oral and/or IVP chemotherapy, and children with blood disorders, infections, and physical disabilities.

**Happiness Is  
Camping is free  
for all  
attendees!**

**Our mission** is to provide children diagnosed with cancer or sickle cell disease with a residential camp experience. These special children and their families are invited to come to this unique camp free of charge, where they can put aside their concerns about their illness and do what kids like to do... have fun!

Everyone ages 5 and up **must have completed their original COVID-19 vaccine series** in order to attend any of our programs, and updated boosters are highly encouraged. Any child with cancer or sickle cell disease is welcome to attend regardless of treatment status. All that is required is that the child's personal physician determines the child is well enough to attend.
